

GET A LOW FIXED RATE MORTGAGE AND NO CLOSING COSTS!

If you are considering refinancing or buying a home, this could be the ideal time. Mortgage rates have declined to new recent lows. Pacific Global Bank can help you save money with a low, fixed interest rate mortgage. And, if you apply now, you can choose our **no closing costs option**.*

A mortgage from Pacific Global gives you important benefits:

- **Get a guaranteed, fixed rate**
- **Refinance to pay off higher rate loans**
- **Get fast, helpful service**

Act now and you can choose our special offer of **no closing costs** when you apply for a home purchase or refinance. Call one of our mortgage specialists today for more information or an application.

For more information call any of our three locations.

Or, mail or fax this form to the bank or e-mail us at www.pacificglobalbank.com
